Luke 12:15

James 4:1-3

For the coming week:

To help extend the lesson & to encourage you to make it personal, take time during the coming week to do one of the following:

- **Read Philippians 4:8.** Exercise the ability to recognize & desire what's godly. Identify a thing that is true; something that's right; another thing that's lovely; excellent; noble; pure; admirable; praiseworthy.
- **Pray** over these three questions: 1. *Do I rejoice in the growth & success of others?* 2. *Do I approach my work & labor with gratitude?* 3. *Do I contribute to the needs of others less fortunate than myself?*
- **Ask** someone each day this week: *What can I do for you today?* Do that thing.
