

Let My Yes Mean Yes

Matthew 5:33-37

Exodus 20:16

Acts 4:32-5:11

For the coming week:

To help extend the lesson & to encourage you to make it personal, take time during the coming week to do one of the following:

- **Read** over Jesus' trial(s) in **John 18-19**. How did lying & false testimony influence the outcome? Who suffers most when truth & justice are ignored in favor of dishonesty & saving face?
- **Pray** this week specifically about commitments you have made (e.g. at work, to a spouse, to family, to the church). Ask God to help you prioritize & say yes to these commitments as well as say no to distractions.
- **Act** When you're presented with gossip, ask: "Why are you telling me this?"
