

Pure in Heart

Job 31:1

John 8:2-11

Job 31:9-12

For the coming week:

To help encourage you to make the lesson personal, take time during the coming week to do one of the following:

- **Read John 8:2-11** *Who do you identify with most in this story?* the woman caught in sin; the man who got away with sin; the crowd intrigued by the soap opera; the Pharisees who critique others but won't evaluate their own motives & actions...
- **Pray** over the purity of your heart & actions. Pray for those who depend upon you. Ask God to help you appreciate them & for His help to set a good example.
- **Act** Who are you accountable to? Who knows about what you listen to & watch? What boundaries do you have in place for how you spend time with others?
