

Never Stop Praying **Colossians 4:2**

Nehemiah 1:1-11

Colossians 1:15-20

For the coming week:

To help encourage you to make the lesson personal, take time during the coming week to do one of the following:

- **Read: Nehemiah Chapter 9.** *How do God's people prepare themselves to pray? What do they recognize about God's nature & care for them as they pray?*
- **Pray:** Using **Colossians 1:3-14** as a guide and inspiration, pray for the Christians you know and spend time with on a weekly basis.
- **Act:** Schedule a time of prayer with someone else. Or look for an opportunity to pray on the spot with someone you will encounter this week.
